GO TO THE RESCUE.

Don't Wait Till It's Too Late
—Follow the Example of a
Scotland Neck Citizen.

Rescue the aching back.
If it keeps on aching, trouble comes.
Backache is kidney ache.
If you neglect the kidneys' warning,
Look out for urinary trouble—
diabetes.

This Scotland Neck citizen will show you how to go to the rescue.
David Rawls, Sixth street, Scotland Neck, N. C., says:
"I have taken Doan's Kidney Pills and they have certainly been of the greatest benefit to me. My kidneys were badly disordered and caused my back to become weak and lame. It was hard for me to stoop or lift and I felt miserable in every way. Doan's Kidney Pills, procured from E. T. Whitehead Company's drug store, relieved my aches and pains and benefited my entire system. I have no cause for complaint since taking this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Saved Her Own Life.

Tecumseh, Okla.—"I believe," says Mrs. Eliza Epperson, of this place, "that if it hadn't been for Cardui I would have been dead today. Before I began using Cardui, I suffered from pains in the head, shoulders, back, side, limbs and the lower part of my body. Cardui helped me more than anything, and I am now in better health, since taking it, than for four years." "Nobody can deny that the best tonic for a woman to take, is a tonic for women—Cardui. Please try it."

"What's your husband so angry about?" "He's been out of work six weeks." "I should think that would suit him first rate." "That's just it! He's just got a job—Megendorfer Blaetter.

The Tour of A Smile.

My papa smiled this morning when He came down stairs, you see,
At mamma; and when he smiled then
She turned and smiled at me;
And when she smiled at me, I went
And smiled at Mary Ann
Out in the kitchen and she lent
It to the hired man.

So then he smiled at some one whom He saw when going by,
Who also smiled and ere he knew
Had twinkles in his eye,
So he went to his office then
And smiled right at his clerk,
Who put some more ink on the pen
And smiled back from his work.

So when his clerk went home he smiled
Right at his wife, and she
Smiled over at their little child
As happy as could be;
And then their little child she took
The smile to school, and when
She smiled at teacher from her book
Teacher smiled back again.

And then the teacher passed on one To little James McBride,
Who couldn't get his lesson done
No matter how he tried;
And James took it home and told
How teacher smiled at him
When he was tired, and didn't scold
But said, "Don't worry, Jim."

And when I happened to be there
That very night at play,
His mother had a smile to spare
Which came across my way;
And then I took it after a while
Back home and mamma said:
"Here is that self-same smile,
Come back with us to bed."
—National Electrical Contractor.

"What's the matter with you?" asked Molly Microbe. "O, pshaw!" replied little Willy Microbe. "I'm getting tired of stayin' in one place all the time. Since the women have quit wearin' dresses that drag we never get taken anywhere."

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days' time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by all dealers.

The Sitter—Yes, it's very nice, but you've made my hair too dark. The Artist—Shall I alter it or will you?—Exchange.

Are You a Woman?

Baltimore, Md.—Mrs. W. H. Ison, at 1419 East Madison street, writes, "For several years, I suffered off and on, from womanly troubles, until finally I was taken down and could do nothing. The pains I experienced, I shall never forget. I lost weight until I was only skin and bones. I believe I would be in my grave if I had not tried Cardui." Are you like Mrs. Ison, weak and discouraged because of some painful ailment? Cardui will help you. Try it today. Any druggist will be glad to sell you a bottle.

Maud—What excuse have you for doing such an unmanly thing as proposing to Jack? Ethel—The Golden Rule.—Boston Transcript.

Kill More Than Wild Beasts.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only 50c at E. T. Whitehead Company's.

Even a homely girl doesn't want to be described in plain language.

Person's Poem a Gem.

From Rev. H. Stubenvoll, Allison, Ia., in praise of Dr. King's New Life Pills:
